

# Wes Coas

**Wes Coas** by definition is the epitome of an artist prepared to be the next superstar with a style that can only be compared to the smooth delivery of West Coast Legends. **Wes Coas's** songwriting ability and content rival the likes of Jay-Z and 50 cent. Even with these comparisons **Wes Coas** stands alone in today's Hip Hop Arena.

Born and raised in Compton, California. **Wes Coas** follows in the same line of fellow Compton Alumni Eazy E, Dr. Dre, DJ Quik, and The Game. However where **Wes Coas** differs is by providing listener's with an alternative West Coast view that is not based in the violence that is often associated with West Coast Music. In 2009 **Wes Coas** released his independent debut album,

"Manifest Destiny" a collection of songs meant to influence and encourage listeners to believe in self and strive towards your future. Within six months of that release **Wes Coas** began the "Manifest Destiny Tour" which began in Houston and toured the south with spots in New Orleans, and Atlanta. During this time his website was launched () in order to provide a more personal interaction between himself and his fans worldwide.

In 2010 Wes Coas aligned himself with Fly Cat Music Group to assist with managing his career and work along side his own Conundrum Records imprint. Internationally acclaimed rap artist **Wes Coas** currently on the world wide "**United Front Tour**", which features Fly Cat Music Group artists *Maro* and *Team Next*. The tour follows the 2010 release of the collaborative effort of **Wes Coas** and super producer 7<sup>th</sup> Letter, collectively known as **BND (Belief Never Dies)**, "**Great Western From**". The duo's album comes in the wake of several successful solo releases from **Wes Coas**, including mixtapes, - *F.E.A.R.*, *The Blocca*, and *The Regression*, and album - "**Manifest Destiny**". The "**United Front Tour's**" domestic shows are scheduled for venues in *California, Louisiana, Arizona, New Hampshire, Atlanta* and *Texas*. **Wes Coas** returns in October to begin the "**Can't Knoc the Wes Tour**" with West Coast legend Knoc'Turnal ("**Bad Intentions**" ft. Dr. Dre and "**The Knoc**" ft. Dr. Dre and Missy Elliot).
